

Union Journeyman Taper:

The following is a brief description of the responsibilities if employed by AACCP as a Journeyman Taper. We are looking to hire a skilled Union Taper who is detail-oriented and has knowledge of finishing techniques. A successful applicant should be hardworking, reliable, punctual, and have good communication and organizational skills.

As a Union Taper, you would be expected to have a strong understanding of taping and the materials used in your trade,

Some specific qualifications/experience of a Union Taper might include:

1. Strong attention to detail, while focused on safety, quality, consistency, and production.
2. Knowing all the steps for this trade, not taking short cuts.
3. Knowledge of how to run, clean, and maintain Automatic Taping Tools.
4. Perform finishing work on existing and new installation of different drywall products in a safe and timely manner.
5. Should be certified/trained in equipment such as boom lifts/scissor lifts.
6. Good communication skills.
7. Work collaboratively with other finishers and supervisors, serving as leadership.
8. Be able to pass a Drug Test.
9. Should be in good standings with the Union.
10. Physically fit and able to perform tasks such as lifting, climbing, and bending.
11. Follow safety procedures and guidelines to ensure a safe work environment for yourself and others.
12. Open to new ideas, methods, teamwork, collaboration.
